

# ADVISER Status Update

February 9, 2022

# 2020-2021 CRDC Collection

- The CRDC collection website is open to districts and NDE at <https://crdc.grads360.org/>
  - Very useful help document – *Ten TA Supports to Discover*  
<https://crdc.communities.ed.gov/#communities/pdc/documents/21011>
- NDE has already submitted all data available for districts
- **Districts are responsible for reviewing, editing, and completing all CRDC data by 2/28.** NDE will not be doing any more uploads as it would overwrite districts' work at this point.
- NDE has recently gotten some bug reports on our CRDC reports, please make sure to review your **COUR** (math/science courses) and **HIBS** (harassment and bullying – victim counts) tables in particular

# Pandemic-EBT File Uploads

- NDE will no longer accept any late entries for last summer's benefits after 2/11/2022
- P-EBT File Upload portal app will shut down next week so we can work on changes/fixes for the presumed 2021-2022 data collection (pending approval)
  - **More details coming in the session following this**
  - Quick summary: file format and data collected is 90% the same as last year with a key difference
  - NDE will work on speeding up the portal app and adding more error reporting options
