

ADVISER Status Update

August 11, 2021

2020-2021 Year End

- NDE is following up with a few district administrators who haven't signed off on the year end collection yet
- Attendance/ADA/ADM data is fully locked, used for state aid recalculation
- 20-21 student lookups, graduation cohort, overnight course data (programs of study, non-endorsed staff, IUs) will continue to show live data until the data is finalized (November 2021, after Follow Up collection)

2021-2022 ADVISER Status

- SIS vendors are finished/getting ready for certification testing
- Districts with certified vendors (*NebSIS, Infinite Campus, Synergy*) must get their 21-22 update and configuration info from their SIS vendor before publishing data
- Certification Status and details are available at <https://www.education.ne.gov/dataservices/2021-2022-adviser-vendor-certification/>

2021-2022 ADVISER Status

- ADVISER Validation will have 2021-2022 activated this week, with existing errors and reports running
- New validation errors (TBD) for 21-22 will likely be activated during August or September
 - Will always be announced in NDE Bulletin
<https://www.education.ne.gov/bulletin/>
- NDE will plan on new reports to support the new Learning Modality data, break down Instructional Units from courses
 - Any other report ideas that districts want to see? Send a comment through Zoom now or email
ADVISERHelp@nebraskacloud.org later
