School Bond (new CDC Collection)

NEW: Consolidated Collection in the NDE Portal: School Bond (Available in January 2023, TBD and Due February 28, 2023)

The School Bond collection is to be completed by the Public Districts who have passed a school bond and will begin taxing on the bond for the first time during the 2023/24 school year. In year 2021, LB 2 passed, which amends Neb. Rev. Stat. 77-201 to provide that all agricultural and horticultural land that receives special valuation, is to be valued at 50% of actual value for the purposes of taxes levied by school districts to pay the principal and interest on bonds approved after January 1, 2022. If your school has had a new school bond passed and you did not begin taxing on this bond during the 2022/23 school year or before, please complete the School Bond collection, once available, in order for the DOE to respond to the request of the Department of Revenue/Property Assessment Division (PAD).

- Due Date would be January 31 and an Audit Due Date would be February 28.
