

NDE Education Innovation Networks Data Visualization & Use

Cohort 3 Launch Announcement

January 11, 2023

Data Visualization & Use EIN: Cohort 3 this Spring

The Data Visualization & Use Education Innovation Network (EIN) is a community of practice gathered to **share strategies and address data challenges** that are unique to Nebraska ESU, district and school staff.

- Includes **ESU and district/school staff** from across the state
- Participants attend monthly meetings for **discussion** and **knowledge-sharing**

Cohort #3 kicks off this spring for a new slate of participants to **join the Network**. This starts with **training from experienced data professionals**, provided via semi-monthly virtual interactive webinars. Be on the lookout for:

- Updated info on the NDE's EIN Website (link to be provided), including training dates
- Invitations to an informational webinar to ask questions and learn more about the network and the training
- A link to the Cohort #3 application

Stay tuned, and please encourage your district and ESU colleagues to apply!

More Information ...

- Participants should:
 - display interest in learning about data use, visualization and tools;
 - provide unique experiences/POVs to the shared group learning environment;
 - and can champion data learnings to their network/community.
- 6 virtual interactive group learning events - *March to May*
- Sessions held weekly
- If accepted into the Network, attendance for all sessions is not mandatory.
 - However, we do encourage you to take advantage of as many sessions as possible.
 - Recordings will be made available to all participants after each session.
- Watch for a Bulletin announcement coming soon!

Data Webinar Survey Results

- THANK YOU for submitting your feedback!
- We are still analyzing the data and hope to discuss results soon.

February 2023

- Content for upcoming Webinars coming soon.
- Keep an eye on bulletin and Data Webinar site.

THANK YOU for attending today!
