Data Visualization & Use EIN: Cohort 3 this Spring

The **Data Visualization & Use Education Innovation Network (EIN)** is a community of practice gathered to **share strategies and address data challenges** that are unique to Nebraska ESU, district and school staff.

- Includes **ESU and district/school staff** from across the state
- Network members attend monthly meetings for **discussion** and **knowledge-sharing**

We are launching the third cohort in March and are looking for a group of **dedicated, data-driven ESU and school/district staff** to join a Network of other participants and learn and develop your data skill sets together! As a new member, you will participate in **6 free data learning sessions** on topics ranging from data analysis to data tools to data storytelling. For more information:

View the **Flyer** on the **EIN Website** and the **Informational Webinar Recording**
