

# ADVISER Status Update

March 8, 2023

# Updates to Webinar Website

- The NDE Data conference Webinar website has been updated
  - <https://nedataconference.com/>
- Prior meetings listed under their own yearly page archives
- Added a new search feature – still in testing
  - NDE will be adding tags for the subjects of prior meetings to help searching
- All recordings will be hosted on YouTube now, all webinar sessions available in this playlist  
<https://www.youtube.com/playlist?list=PLtGL6551GoG-HW9kBpWTRb4Qa5dFnjiql>

# What's next in 2022-2023

- Adding new Instructional Unit reports using the new planned minutes field, as mentioned in prior webinars
  - Have started editing existing course reports to add planned instructional time field
- New CRDC reports for 21-22 OCR submission
  - **No dates announced yet by OCR but it is expected to occur in Summer 2023**, hopefully after end of year reporting. NDE will attempt to update list of Superintendents with OCR before then.
  - Based on how last year went the new idea is for NDE to offer districts a CRDC format file through ADVISER Validation that can be viewed, exported as a .CSV file, then uploaded by yourself to OCR with no intervention from NDE
